

FSCCL STAFF MESSAGE

On behalf of the FSCCL Team and the entire University, THANK YOU for all you have done to help Protect Purdue and sustain the legacy of your organization and our Community. Your hard work has undoubtedly created a safer environment at Purdue and in the Greater Lafayette community. We know this year has brought about unusual challenges, but I am hopeful that the relationships and experiences you've had and challenges you've overcome will enhance your life well beyond this year. Below are a few helpful reminders for community leaders.

1. As we move through finals week and into Senior Week and the summer break we ask that our community leaders continue to uphold the Protect Purdue Guidelines and Expectations. (<https://protect.purdue.edu/updates/spring-2021-events-guidelines/> OR <https://protect.purdue.edu/updates/summer-programming-to-return-in-2021-protect-purdue-summer-guidelines-announced/>) Traditionally, Senior Week has included a Keg Race at the Green Door Apartments and this is an example of an activity that should be discouraged within the FSCCL Community. Please make sure your chapter/house is not participating in any large or unplanned/authorized events.
2. Town Halls: As soon as we have updates and/or information regarding fall 2021 we will send email communications and host another FSCCL Town Hall. We will not have monthly Town Halls during the summer unless the information flow demands such action.
3. Fall 2021 event guidelines have not yet been established. We ask that our organizations plan for multiple options and remain as flexible as possible.
4. Getting students vaccinated should be our #1 priority right now and is the key to a more normal next year!

We can't say enough positive things about our chapter, house and community leaders & volunteers for all they have done over the past year, and we can't for you to return in the fall and continue your Boilermaker experience!

PROTECT PURDUE REMINDER & UPDATES

The Protect Purdue Pledge still applies over the summer so please remind members that they are accountable for behavior even while not at Purdue. We want everyone to have a safe summer so that coming back in the fall is as smooth as possible.

For updates on Organizational information and Protect Purdue Guidelines, be sure to read your SAO Bulletin from Student Activities & Organizations. Information for Summer 2021 guidelines can be found here:

As always, the most up to date information can be found on the [Protect Purdue Website](#).

HONORS AND RECOGNITION, 2020 IN REVIEW

The week of April 19-23 our instagram account featured our 2020 Greek Honors, celebrating individual and organizational achievements for our fraternities and sororities. The Purdue Cooperative Council celebrated awards in a ceremony on Friday, April 16th. For a list of all student and organizational winners, see page 3.

In addition to student and organization recognition, we take this opportunity each year to recognize staff and community partners for their contributions to the FSCL experience at Purdue.

VACCINE INFO:

Students are encouraged to get fully vaccinated for COVID-19.
